11th October 2016

Dear all at St Georges

Re: Harvest Donations from the school received on Monday 10th October

I am writing on behalf of The Gap Project to thank you and the school for the kind donations of harvest food that the parents, pupils and staff donated to our homeless project. Your generosity is overwhelming and will make such a difference to the homeless and needy families in the community. The homeless come in for a hot meal each weekday afternoon. They can also have a shower, have their laundry done and use the telephone. They can access resettlement support, advice and information. We make up food parcels for them each Friday to help them through the weekend. So this food will be a lovely treat!

Thanks again for your donations and please pass this on to all the staff, students and parents who kindly brought us these gifts.

Kind regards

Kate Grant
Volunteer & Service Development Co-ordinator
